The Alachua County Library District Foundation

providing long-term support to the Alachua County Library District
through major gifts and bequests since 1989

For nearly a decade, the ACLD Foundation has been providing funding for SnuggleUp Centers and Teen Spaces throughout the Alachua County Library District. They have become hubs of activity within the individual libraries. Children and their parents flock to the SnuggleUp Centers for activities and books, while teens take full advantage of the Teen Spaces, both as individuals and in group activities. The best way to highlight these places is through pictures of their users. After all, a picture is worth a thousand words!
