Providing Supplemental Funding to the Library

The ACLD Foundation's Mission Statement calls for providing supplemental funding to the library with an emphasis on long-term support. As its Vision Statement notes, such funding is to "enhance the ACLD's ability to enrich the lives of everyone in our community." With its mission in mind and its clear vision of purpose, the Foundation has supported the District's renovation and branch construction projects over the past dozen years. The photographs are examples of how the Foundation has annually implemented its Mission and Vision Statements.
